

Selected competitions

Volkswagen Future Mobility Incubator

The start-up incubator in the Transparent Factory helps business founders to turn their innovative mobility ideas into a marketable product.

www.glaesernemanufaktur.de/en/incubator

futureSAX-Ideenwettbewerb Ideas competition

The aim of this competition is to make the innovative ideas of start-up founders visible and develop them into sustainably successful business concepts. The competition, organised by the Saxony State Ministry for Economic Affairs, Labour and Transport, is endowed with a prize money of 30,000 Euros.

www.futuresax.de

Deutscher Gründerpreis German start-up founder award

The Deutscher Gründerpreis is awarded by savings banks, the Porsche company, the "Stern" magazine and the ZDF television channel.

www.deutscher-gruenderpreis.de

Sächsischer Gründerinnenpreis Saxony female start-up founder award

In this competition, the Saxony State Ministry for Social Affairs honours women who make use of their entrepreneurial potential to succeed in the market with their own company.

www.saechsischer-gruenderinnenpreis.de

Start-up competition Digital innovations

IKT Innovativ is a nationwide competition for business start-ups in the area of information and communication technology.

Selected events

Hightech Venture Days

Each year, the investors' conference offers capital-seeking European start-ups and high-growth companies the possibility of presenting their business ideas in front of national and international investors and industrial partners.

www.hightech-venture-days.com

KarriereStart Trade Fair

The education, job, and business start-up "KarriereStart" Trade Fair provides information on the possibilities available in vocational education and training as well as start-ups, and offers numerous contact possibilities to future employers.

The „KarriereStart“ trade fair for education, jobs and start-ups provides information on training options and startup opportunities, and serves as a platform for making contact with potential employers. It also includes the futureSAX brunch for new business owners, where entrepreneurs can discuss business-related issues with experts and other start-ups in a relaxed setting.

www.messe-karrierestart.de

Gründerforum Dresden Start-up forum Dresden

The "Gründerforum Dresden" offers individual, comprehensive, reliable and expert advice. As the first information and contact point for business start-ups, it supports Dresden citizens along the steps towards entrepreneurial independence.

www.dresden.de/gruenderforum

Gründerwoche Deutschland Germany start-up week

Within the framework of numerous events, it is the intention of "Gründerwoche Deutschland" to inspire young people, in particular, for entrepreneurial thinking and action, promote entrepreneurial skills and awaken creativity. The aim is to enable the exchange of ideas, experiences and opinions on the subject of start-ups and self-employment, as well as present initiatives to support start-up ideas.

Start-up support in Dresden

You have a creative idea and want to become self-employed, although you do not know whom to contact or who will support you or who will support you in your project?

In the company start-up team of the Dresden Communal Forum for Economics and Labour, partners have teamed up to answer these and other questions and support you both in the start-up and development of an independent existence.

It does not matter whether you only have a potential start-up or have already started up a company, whether you just have a vague idea or already have a concrete project in mind: the participating partners provide individual, comprehensive, reliable and expert advice.
